

SANAVI INCOME DISCLOSURE STATEMENT

Sanavi International is a leader in the 5 in 1 Synergy Technology, offering natural science-backed products like PrimeX®. Founded in 2025, the company sells its products through independent VIP Members who also share the business opportunity.

TWO WAYS TO JOIN:

Depending on your goals and interests, you can join Sanavi International as a Customer or VIP Member.

- **CUSTOMER:** As a customer, you can enjoy the benefits of Sanavi International products for personal use. Customers can purchase at One-time Retail prices or receive a discount by setting up a Subscription. Customers do not sell products, but their purchases contribute to Sales Volume for Members.
- **VIP MEMBER:** If you're interested in both the products and the business opportunity, you can join as a VIP Member. VIP Members enjoy greater discounts on products compared to customers, and they have the opportunity to earn commissions by selling products directly to customers and by building a sales team. VIP Members can start their business by purchasing one of several Enrollment Packs, which contain various Sanavi International products at a discount. Or they can simply start with a \$30 USD VIP membership. The VIP membership includes several trainings, business management tools, and access to the Sanavi International Backoffice. All items in the VIP membership are also included in Enrollment Packs. Members can build and grow their own team of VIP Members, earning commissions not only on their personal sales but also on the sales generated by their customers and team members.

WHAT ELSE SHOULD I KNOW ABOUT BEING A VIP MEMBER?

As a VIP Member, it's important to be aware of the costs associated with running your business.

While Sanavi International covers most expenses (e.g., product manufacturing, inventory, commission calculation and payment, website management, etc.), you may incur optional costs that can impact your net earnings from commissions and bonuses. Beyond the initial \$30 USD VIP membership potential costs may include registration fees for in-person events (up to \$100 per person, excluding travel or accommodation), sales aids (\$10–\$40), shipping fees, applicable taxes, personal marketing materials, utilities, internet, gas, travel, and phone costs.

Being mindful of these potential operating costs will help you better prepare for your journey as a VIP Member
